

Let's make this simple...

- We will help you make a 3-5 year plan so you can stay on top of maintenance issues and plan well for budgeting.
- We will work with you to design and plan your next project—from demolition to final installation.
- We will work within your time frame and work with you for minimal interruption in your school year schedule.

Our Promise

We are committed to providing you with great customer service. From your initial call until project completion, we will work to ensure you know all of the options available to you. We promise to keep you informed and up-to-date throughout the entire project. We want you to know that your project is important to us!

Geels Glass Inc.

Allow us the opportunity to tell you about the many products and services that we offer for your school's glass needs.

Products

Entrances

Looking for a relatively quick update to your school building? Our aluminum entrances are aesthetically pleasing and make any school building look instantly updated. They are made and installed to withstand heavy school traffic. We can also install many different hardware configurations to meet your needs. We can also replace rusted maintenance and service doors with solid RFP doors that have an aluminum skin for areas where glass is not desired.

Windows

Our egress-style windows are perfect for the classroom and offer increased energy efficiency. We can install our windows to work with any existing conditions and to fit in any sized opening.

Mirrors

Full-length mirrors are a great addition for your dance or weight rooms. We also install or supply mirrors for restrooms.

Service Work

Glass Replacement

- Most broken glass can be replaced without damaging the frame and surrounding materials.
- Most replacement glass is available in 5-10 days.
- Glass can be upgraded to meet current safety or security concerns.

Hardware Repair/Replacement

We can repair or replace most door and window hardware, such as:

- Closers
- Panic hardware
- Weather stripping and door sweeps that are not energy efficient

Other Products

Equipment Glass

We can replace most flat glass in equipment and buses.

Display Cases

We can provide and install everything for your next display case or add to an existing one.

Woods Class Glass & Mirrors

We can supply mirrors and clear or patterned glass for students' woods or shop class projects.
